Digital Engagement Specialist (Contract)

Position: Freelance Consultant - Digital Engagement Specialist
Duration: 20 hours, immediate start with completion by January 31, 2025
Compensation: $1,000 flat fee (equivalent to $50/hour for 20-hour scope)
Location: Remote

About the Project
The United States Skateboard Education Association (USSEA) is experiencing a critical gap between website traffic and membership conversion. With hundreds to thousands of monthly visitors, engagement metrics and membership sign-ups remain low. We require a strategic consultant to conduct an initial assessment, diagnose key conversion barriers, and implement impact within a focused engagement.

Initial Scope & Deliverables:

1. **Assessment (6-8 hours):** Comprehensive analysis of the user journey focusing on UX, messaging clarity, Call-To-Action effectiveness for individual educators and organizational leads.
2. **Identification of Wins (4-5 hours):** Prioritization of 2-3 high-impact, easily implementable modifications to the website or initial contact flow.
3. **Strategic Recommendations Report (6-7 hours):** A concise report detailing findings, implemented wins, and roadmap for subsequent phases. Report may alternative exist as direct tangibles/deliverables.

Extension & Performance:
This initial 20-hour contract is scoped for diagnostic work and rapid implementation of priority fixes. Based on the delivered analysis and performance of the initial modifications, there is potential to extend engagement. Extension would involve a revised scope of work and evaluation of rate increase, aligning with standard market rates and company budget and tied to specific, measurable deliverables.

Ideal Candidate Profile:

- **Analytical & Action-Oriented:** Able to quickly diagnose problems and prioritize actionable solutions within a tight timeline.
- **Technical & Web-Savvy:** Comfortable auditing website structure and user experience.
- **Clear Communicator:** Can deliver insights and recommendations effectively.
- **Proven Community Builder:** Experience in scaling engagement, as demonstrated in prior roles.
